GREEN LAKE
AN INVENTORY OF BUILDINGS
AND URBAN DESIGN RESOURCES
COMMENCES IN 1975

HISTORIC SEATTLE PRESERVATION AND DEVELOPMENT AUTHORITY
CONSULTANTS: FOLK WILLIAMS
VICTOR STEINBRUCK

GENERAL DESCRIPTION
The Green Lake Community District meets both citywide criteria for a Historic District setting.
Criteria include the following:

1. A sense of community:
   - A clear identity as a neighborhood
   - A sense of place

2. Historic buildings:
   - A significant collection of well-preserved buildings
   - Buildings that are architecturally or historically significant

3. Environmental setting:
   - A residential area
   - A natural setting

4. Historic development patterns:
   - A cohesive pattern of development
   - A sense of continuity

5. Neighborhood resources:
   - A variety of resources
   - A sense of completeness

6. Community involvement:
   - A sense of community involvement
   - A sense of pride

These criteria are met by the Green Lake Community District, which includes a number of historically significant buildings and a cohesive pattern of development.
